Dear Jasper Business Partner,

The Jasper Heritage Folk and Blues Society is excited to be continuing its history of bringing family, friends, and visitors together in its celebration of music, community and culture in September 2018. Our organization works hard to support local and Canadian music by bringing entertainment to our local community at the Jasper Folk Music Festival.

The past success of this festival has been in part due to the support and partnership of local businesses and organizations. We are hoping that you will be interested in supporting this 2018 Festival through a sponsorship that will not only enhance the Jasper event, but also offer you the benefits of exposure through this community and cultural partnership.

There are a number of ways to offer your support and we look forward to talking with you about these possibilities. Attached are a variety of levels of support.

Hopefully this note 🎵 will inspire you to choose one that works for you and join us in supporting music and arts in Jasper this year. We look forward to hearing from you.

Many Thanks,
